Rachel A. Running

Dear Examiner Running:

I timely filed a Response in the above-captioned case in response to the Office Action dated 10/18/05. On February 2 I received a voice mail from someone at the PTO stating that the Response could not be reviewed unless fees were paid for an IDS and the five new claims.

I contacted you and several other departments at the PTO at the time (and since) to determine how much the fees were and with whom I should discuss the matter. I was unable to locate any employees that could tell me who to speak with about the matter and I have not heard back from you.

Can you let me know who I can contact about the matter?

Thank you for your attention to this matter.

Sincerely yours,

*Philip H. Haymond*
